LETTER

The Patent and Trademark Office did not send a "Notice of Missing Parts" for this patent application, even though it may be seen that one of the inventors, David S. Matthews, did not sign the Declaration at the time the application was mailed. Therefore, we are hereby submitting this letter and an additional "Declaration and Power of Attorney for Patent Application," executed by David S. Matthews to the Examiner.

Authorization is also given to charge Xerox Corporation's Deposit Account No. 24-0025 in the amount of \$130.00 for the "missing parts" surcharge.

Respectfully submitted,

A handwritten signature in cursive script, reading "Paul F. Daebeler". The signature is written in dark ink and is positioned above the printed name.
